On behalf of the DDVVMC we thank you for registering for the rally and look forward to celebrating our clubs 50th anniversary with you over the period of 2nd to 6th May 2020.

The DDVVMC would also like to thank the Restored Vehicle Association of Dalby (RVAD). The RVAD have graciously decided to not hold their annual "Dalby Rally" in 2020 due to its proximity in both time and location to the DDVVMC's 50th Celebration Rally. The RVAD however will be holding their annual rally in 2021 on the weekend of the 8th and 9th May. The DDVVMC invites everyone back to the district on this weekend in 2021 to participate in the RVAD's annual "Dalby Rally".

How do I determine my shirt size?

Pick a similar style shirt (polo shirt) of your own that fits you well. Lay the shirt on its front on a flat surface and measure across from seam to seam at approximately 3–4 cm down below the underarm. Make sure this is at the fullest part of the chest. This measurement is called the “**Half Chest Measurement**”. Look up the table above with this measurement and select the appropriate size shirt. Please note the cotton content of the shirts, as stated above, and that the material has not been pre-shrunk prior to manufacture of the shirts.

The body length for the chosen size can be checked as shown above, by measuring on the back from the neck to the base.

Enamel 50th Rally Badge

A hard enamel rally badge of the clubs 50th logo, created at full size. The size of the badge is 75mm in diameter, as shown below in true size. The badge contains two holes for mounting.
