This covered such items as Harbour cruises, welcome function and various dinners, etc throughout the 18 days tour. All receipts have been provided to TasEvents and they conduct the audit on this expenditure. All of these funds (and more) were spent. There was a condition that any unused funds be returned to Tas Events.

As National Motoring Heritage Day Picnic in the Park was cancelled, there was some expenditure, through all sponsorship received was returned.

Survey

The Committee decided to do this survey as an information gathering exercise.

Majority of responding clubs has answered no to the first question.

Missing Teapots

Cheryl Nott advised that the two teapots donated by the Bayside club have gone missing from the veteran club rooms.

QHMC to write letter asking where they are.

Thank you to Committee

Alex Connors thanked the current committee and especially Christine Stevens for all the work done over the past 12 months.

Registration fees

Craig Williams sort clarification on behalf of one of his club members as to why QHMC and other similar organisations/groups were not pushing to have these in line with other states.

Russell Manning advised that other states registration schemes are not comparable and are so different.

Craig asked if QHMC should push for registration fees to be more in line with other states.

A discussion followed on the topic – No final decision had been made, however it is unlikely at this stage.

It was also brought up in the discussion questioning why there is bigger percentage saving on concessional registration for cars as there is bikes.

Stolen Vehicle

Bill Martin advised to be careful with leaving your keys in your vehicle and be mindful of people around when parking your vehicle and keep it locked.
