REMINDER

And yet again we would like to remind members that the OFFICIAL website for QHMC is qhmc.net.au and not qhmc.org.au. The latter site is no longer the QHMC website and contains outdated and incorrect information. The site is currently sending out automated messages regarding membership renewals- **DISREGARD THE NOTICES. DO NOT ANSWER THEM OR ANY OTHER MESSAGE FROM THE .org.au WEBSITE**

WEBSITE

qhmc.net.au is the official website and is constantly being updated. We need affiliated Club Logos to be forwarded along with Club details so these can be listed on the website. This information will assist us in assembling the database for the website

OFFICE OF FAIR TRADING

The amendments to the QHMC constitution have been approved by the office of fair trading. The constitution will be on our website in due course

DELEGATES

Please make sure you have the current set of minutes and agenda when you attend the QHMC meeting. They should be available on the QHMC website or from the secretary of your Club. GENERAL

To all member Clubs if there is any way QHMC can be of assistance please do not hesitate to contact us. Doug Murphy from the Chrysler Owners Club has put forward the following:-

Are you looking for an Auditor? If so the QHMC sSecretary may be able to be of assistance.

Are you looking for someone reasonably priced to help administer your web page and/or Facebook page? The Chrysler Owners Club use Brenda Babor at Mini Webs on 07 3804 1981. Doug vouches for her proficiency.

I feel sure that out member Clubs have a wealth of information on automotive related items- for example when do you change brake fluid?

E10 petrol use in pre 1986 vehicles?

brake and fuel hose replacement? etc.

If you do why not share your information with all our members via the QHMC Newsletter.
